Diagram showing three vertical rectangles labeled 15C, 15B, and 15A from left to right.

The diagram illustrates three vertical rectangular boxes, each representing a different type of 16S rRNA gene. The boxes are labeled 16A, 16B, and 16C from left to right. Each box is outlined with a thick black border. The box labeled 16A has a thin red line along its top edge. The boxes are arranged side-by-side with equal spacing between them.
